## Statement of Practical Treatment IF SWALLOWED

Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention. IF ON SKIN Wash thoroughly with soap and water. IF IN EYES Flush copiously with water for fifteen minutes. Get medical attention.

## PRECAUTIONARY STATEMENT HAZARDS TO HUMANS & DOMESTIC ANIMALS

### WARNING

WARNING: May be fatal if swallowed. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. Keep away from children and domestic animals.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Clean up thoroughly all garbage and food particles which attract roaches. Sprinkle Sodium Fluoride into cracks and crevices behind sinks, refrigerators, stoves, cabinets, on water pipes and at holes where pipes come through floors. Place the powder only in areas inaccessible to children and pets. After application is completed any visible powder should be carefully brushed into cracks and crevices or removed. Apply generously. Repeat once a week or as needed.

### STORAGE & DISPOSAL

Storage—Store in dry place  
Disposal—Do not reuse empty container.  
— Wrap in newspaper and discard in trash
